Re: 2020 World University Championships - cancellations

Dear Member Associations,

The COVID-19 situation continues to be very challenging and forces us to be on the alert. As we explained in our previous communications, ensuring the safety of all people involved in FISU events is our priority.

Following discussions that were held between FISU and the Organising Committees of the 2020 World University Championships, the situation has been reported and discussed with the last FISU Steering Committee.

As a result, we would like to hereby confirm the cancellation of the following 2020 World University Championships:

- **Modern Pentathlon** from 18 to 22 August in Warsaw (POL)
- **Canoe Sports** from 21 to 23 August in Minsk (BLR)
- **Shooting Sport** from 9 to 13 September in Pilsen (CZE)
- **Mind Sports** from 11 to 16 September in Bydgoszcz (POL)

Although we regret to announce these additional cancellations, we believe that we must keep making cautious decisions as the sanitary crisis is still present.

We will keep you informed of the status of the next World University Championships at a later date.
